Greetings:

The Rocky Mountain United Methodist Foundation is pleased to announce that account statements are available online! In order to be good stewards of resources, we are asking all account holders to access their statements electronically, if possible.

Please download the online request form and list each email address for persons at your church who should receive monthly statements. For security purposes, it will be imperative to keep this information updated with the Foundation.

Upon receipt of the completed form by fax or email to the Foundation office, each person will receive a password via email. (Please note my email address below and check junk mail folders before calling.)

After setup notification, you can access your statements at <https://coumf.umfstatements.com>. Your user name will be your email address. You will be notified by email when the end-of-month statements are ready.

Important note: The customer and asset statements are valued only at end-of-month and will remain accessible for at least the last twelve months.

We welcome your questions and comments. Please contact us by phone or email. Thank you again for letting us serve your needs.

Sincerely,

Martha
