Authorized Signature Card Policy & Purpose:

The Foundation will maintain security and streamline authorized signer confirmation of all church investment accounts by requiring the church to update the Authorized Signature Card (ASC) when any change is made to current ASCs in each church's portfolio.

Common changes include:

1. Removal of a Signer (due to death, departure from the church, completion of the Signer's term, etc.)
2. Addition of a Signer
3. Addition of an account

A church may have multiple ASCs if there are different Authorized Signers on different accounts.

The Foundation will not accept an "addendum" ASC to attach to a current ASC. When Signers are added or removed, or an account is added or closed, a new ASC must be submitted.

The Foundation will only honor a transfer or withdrawal request with signatures that match a current ASC.

If there are no current authorized signers, please submit a letter signed by the Sr. Pastor and a Trustee which authorizes the transaction needed (if applicable) and the new Authorized Signature Card. Best Practice – review authorized signers annually at the yearly church/charge conference.

Authorized Signature Cards are available for downloading and printing from the Foundation's website, www.RMUMF.org/Forms. Click on the Authorized Signature Card link under "Forms for Churches."

Authorized Signature Cards may also be requested from the Foundation office by calling, 303.778.6370, or emailing, info@RMUMF.org
