

- An investment that **builds and expands** churches, so that both givers and receivers of the acceptance and **unconditional love** of United Methodist communities of faith are the ultimate beneficiaries of your investment
- Helping the Church provide **solace and comfort** during difficult times
- Even more importantly, an investment that strengthens the ability of the Church to **offer a different vision** than the insatiable consumerism and self-interest that created these difficult times: *a message that no amount of material wealth or want can separate us from the love of God. With that assurance we can connect our faith and money in God's wisdom and make economic decisions that are good for all.*
